## Mission

FICE Spain, founded in 2010, is the Spanish section of FICE International. FICE Spain is a network of non-profit organizations that aim to improve the quality of life for children at risk and their families by promoting flexible and complementary models of family care and support both at community and residential level.

## Vision

Through its member organizations in the different territories, FICE Spain develops community based services addressed to children and youth at risk and their families. It acts as the Spanish network of reference before the European organizations working with children at social risk. It generates a common action in all Spanish territories through a shared model that is person-centred and community based.
